Praying Together

April 2010

On May 13th we celebrate our 15th Anniversary *Victory and Vision* Banquet! You are cordially invited to join us for this special event. Rejoice that our international outreach continues to expand!

PRAISE

- Larry's March 7th -17th Indonesia trip was unusually blessed of God. He spoke to the *Bless Indonesia Conference* and then to smaller meetings with key leaders in two other cities. One of the meetings had several pastors of mega-churches in attendance. The reception that followed was very positive. This fall he plans to lead a team back to Indonesia for purposes of initiating *Global Focus Indonesia!* Key leaders from other SE Asian countries have also asked if they could attend the training in anticipation of *Global Focus* coming to their countries. Pray for all the planning associated with these trips.
- PTL for a very successful *GFS/GFLS* led by Jim Sheffield in Tiger, Georgia on March 14th-17th !
